FD 450 ENVELOPE OPENER

Standard Features

- **Slitting Action:** Neatly slits one side of the envelope. No messy paper scraps to clean.
- **Automatic Mail:** Processes up to 300 envelopes per minute.
- **Mixed Mail:** Handles a variety of sizes without pre-sorting.
- **Compact Design:** Ideal for any business or department.

Options:

- **400 Series Envelope Joggers:** Two and four-bin joggers settle contents and prepare envelopes for opening

Automate the tedious task of opening incoming mail with the FD 450 automatic letter opener. The FD 450 reliably operates at speeds of up to 300 envelopes per minute. One side of the envelope is slit so that the contents are left undamaged, with no messy paper scraps to clean up. A variety of envelope sizes can be processed at once, without pre-sorting. This increases work flow and ensures document integrity.
