DOCUMENT SHREDDER MODEL SH7A

In a busy office, many documents that contain important, confidential information end up in the trash when they are no longer needed instead of being disposed of. With the SH7A heavy duty paper shredder from Secap, you can destroy your most secured office documents without putting your confidentiality and privacy at risk.

A fast paced office needs a high capacity shredder that can be counted on. This work horse shredder has specially hardened steel cutting cylinders that can handle all the paper you feed it, as well as CD's, DVD's, credit cards, staples and paper clips. This shredder gets the job done quickly and securely while maintaining your company's privacy.

1. Feed Opening

16" throat opening gives the flexibility to shred letter and legal size documents quickly and easily.

2. Hands Free Operation

Automatic on/off allows you to shred your documents hands free. The powerful motor and gears provide heavy duty, high performance shredding. Control panel indicates when the machine is ready and the bag is full.

3. Stand Alone Unit With Large Capacity Paper Bin

Large waste compartment holds 39 gallons of shredded documents requiring less frequent emptying. Attractive look is suitable for any office environment. Self contained unit provides a quiet and dust-free operation. Casters allow portability in the office and make it available to move to different locations.

4. Cross cut shred

Produces cross-cut unreadable pieces to secure your confidential documents.
