Make better use of business capital.

Cash is one of your company's most important assets, which is why eight out of every ten businesses lease all or some of their equipment. In addition to the many tax advantages your accountant can tell you about, a Secap lease comes loaded with options that make it easy to plan, with payments designed to meet any budget.

- No money down
- Seasonal plans
- Deferred billing
- Skip payments
- Fixed payments
- Greater flexibility

Avoid technology obsolescence.

We make it easy for you to trade-in or upgrade equipment so you can leverage the latest technologies, even during the middle of your lease.

Let your equipment pay for itself.

Your new equipment will increase productivity and improve your performance month after month. So it makes sense to let your equipment pay for itself as you use it—over time.

Enjoy greater convenience.

As a single-source solution, Secap Finance gives you the ability to finance all types of equipment so you can achieve your goals and business targets. We work closely with your dealer to ensure you get the technology you need when you need it.

Customize a plan that works best for you.

Simple documentation and automatic approval plans make it easy to acquire your business solutions.
